

## Gift Card Incentives

Methodist Children's Homes uses gift cards to provide for immediate needs of our youth and to incentivize youth to meet program goals.

- New youth in our residential homes or foster care program often have basic needs when they arrive:
  - Clothing
  - School supplies
  - Hygiene needs
- Each youth in our care has a therapeutic case plan. We incentivize meeting milestones
- Incentives for doing extra chores and taking more responsibilities
- Opportunities to shop for loved ones
- Providing for urgent needs of our former foster children and program alumni
