HELP US CELEBRATE

— 125 YEARS —

of serving the children of Mississippi and become a champion
for the children who need you the most!

Through Jesus Christ, Methodist Children's Homes brings hope and healing to hurting children in Mississippi. Our hearts ache for children who suffer trauma and abuse. We believe all children deserve to grow up in a place where they are safe and nurtured with compassion. Our children are given a safe place in which they can heal and thrive through provision, guidance, and counseling.

Our First Annual Children First Gala will feature 125 years of Mississippi history. Since 1896, MCH has served over 11,000 children. Through fostering, adoption and independent living services, MCH has changed thousands of family trees across the nation.

Join us for an evening of celebration, as we honor the children we serve by telling their stories. Learn how you can continue to break generational cycles of abuse and neglect by partnering with Methodist Children's Homes of MS.
